

Robin Kinnie is a devoted wife and momma. She has dedicated her life to helping others achieve their full potential with numerous positions within the nonprofit sector. As an avid talk radio listener, she was surprised at the lack of programming focused on the support of women. So, she created the Motor City Woman Radio Show in 2015. What began as a weekly show quickly grew to a movement and the Motor City Woman Radio Network was born.

Motor City Woman Radio Network is a platform for inspiration, motivation and information that helps women lead more fulfilling lives. The 24/7 internet-based station features an array of shows with expert guests, discussion on issues women care about and resources for growth in all areas of life.

In addition to the radio network, Motor City Woman collaborates regularly with women-centered initiatives, groups and organizations. Robin stays true to her God-given purpose with the motto "Live in the Light" which encourages all of us to seek the positive, concentrate on strength and celebrate the moment.
